Dear Student,

Congratulations on graduating from the **Radiation Safety Academy!**

Let me tell you about our company! Technical Associates started in 1946, and has been dedicated to offering accurate, lasting detection equipment ever since. Currently we offer over 200 different detectors and will customize or custom make instruments to fit you specific needs.

Technical Associates Offers: (portable and standing) for Iodine, Tritium, All Alphas, All Betas, All Gammas, Xenon, X-rays, Neutrons, Radon

- **Air Monitors**
- **Personal Monitors**
- **Wipe Counters**
- **Vehicle Monitors**
- **Package and Luggage Monitors**
- **Area Monitors**
- **Pocket Instruments**
- **Surface Monitors**
- **Water Monitors**
- **Floor and Laundry Monitors**
- **Exit Monitors (which may include video systems or hook into existing surveillance systems)**

Technical Associates is also apart of the Radiation Safety Without Borders program. Donations on old and unused instruments are sent to us for repair and calibration. Then these instruments are sent overseas to Health Physicists in other countries, free of charge!

Please call or email for pricing, spec sheets, and information on detectors that will fill you needs!

Please use the coupon below with your purchase.

Thank you for you interest and I look forward to serving your needs!

Sincerely,

Jessica Swicker
